CEZ signed an amendment agreement to the contract

Yesterday CEZ Energy Company signed the amendment agreement to the contract which enables CEZ to sell its 9.12 % stake in a project company EnergoNuclear S.A to the other investors. Project company EnergoNuclear S.A deals with the development of the nuclear power plant Cernavoda in Romania.

The decision is in line with the announced plan of the CEZ Group to focus on investment in the Czech Republic and consolidate and develop its existing assets abroad.
