

A detailed cross-sectional diagram of a dam and its internal components, labeled 1 through 10. The diagram shows the dam structure, the powerhouse, the turbine, the generator, the penstock, the draft tube, the tailrace, the spillway, and the abutments. The dam is shown in grey, the water in blue, and the ground in orange. The powerhouse is labeled 1, the turbine is 2, the generator is 3, the penstock is 4, the draft tube is 5, the tailrace is 6, the spillway is 7, the abutment is 8, the draft tube is 9, and the tailrace is 10.

- 1 strojovna
- 2 jeřáb
- 3 Kaplanova turbína
- 4 generátor
- 5 horní nádrž
- 6 přivaděč
- 7 rozvodna
- 8 rychlouzávěr
- 9 hradidla výtoku
- 10 česle
