| | On January 21, 2013 the Albanian regulator decided to revoke CEZ SH's license to distribute and sell electricity to tariff customers and, at the same time, to appoint an "administrator", who took over the company from CEZ Shpërdarje Sh.A., including all decision-making powers and responsibility for the company's operations. The rights of the statutory bodies of CEZ Shpërdarje Sh.A. also passed to the administrator. As a result, the majority shareholder, ČEZ, a. s., lost all its shareholder rights. By this action, then, ČEZ, a. s. has fully lost de facto control over the company's operations. |
