

PROPOSAL FOR THE DISTRIBUTION OF PROFIT OF ČEZ, A. S.

The Board of Directors is presenting to the General Meeting of shareholders the following proposal for the distribution of the Company's 2016 profit amounting to CZK 8,834,108,324.78 and a portion of retained earnings amounting to CZK 8,919,553,722.22, as discussed by the Board of Directors and the Supervisory Board:

- Share in profit to be distributed to shareholders (the "dividend") CZK 17,753,662,047.00

The dividend proposed to be distributed to Company shareholders thus amounts to CZK 33 per share before tax.

The proposed dividend reflects the Company's dividend policy and corresponds to approximately 90% of the 2016 consolidated net income adjusted for extraordinary effects that were unrelated to ordinary financial performance, i.e., in particular, impairments of tangible assets. The 2016 adjusted consolidated net income is CZK 19,640,455 thousand.

The record date for entitlement to the dividend is June 27, 2017. Entities that will be shareholders of the Company as at the record date will be entitled to the dividend.

The above-mentioned amount of the dividend is calculated from the total number of Company shares issued, i.e. including the Company's treasury shares. The dividend allocated to treasury shares held by the Company as at the record date will not be paid. The amount corresponding to the dividend on treasury shares held by the Company as at the record date will be transferred to the retained earnings account.

The dividend will be paid through Česká spořitelna, a.s., ID No. 45244782, having its registered office at Olbrachtova 1929/62, Prague 4, postcode 140 00 ("Česká spořitelna").

Shareholders—legal entities that are not represented by custodians of securities will receive the dividend to their account with a bank in the Czech Republic based on a written request delivered to Česká spořitelna with an authenticated signature of the person(s) authorized to act on behalf of the legal entity. Such a written request must contain a solemn declaration of the actual ownership of the income and of the shareholder's tax residency and include an account number and the identification of the bank keeping that account. Together with the written request, Česká spořitelna must receive an extract from the commercial register or an appropriate foreign register (not older than 6 months) concerning the shareholder, or an authenticated copy thereof.

Custodians of securities and participants keeping related records will receive the dividend to their account with a bank in the Czech Republic based on their written request delivered to Česká spořitelna with an authenticated signature of the person(s) authorized to act on behalf of the custodian/participant. Such a written request must contain a summary solemn declaration of the actual ownership of the income and of the tax residency of the final dividend income owners to whom the custodian of securities provides their services or for whom the related records are kept, and include an account number and the identification of the bank keeping that account. Together with the written request, Česká spořitelna must receive an extract from the commercial register (not older than 6 months) concerning the custodian/participant or an authenticated copy thereof.

Shareholders—natural persons that have permanent residence in the Czech Republic and are not represented by a custodian of securities or authorized representative will receive the dividend in cash upon the presentation of an identity card at any Česká spořitelna branch in the Czech Republic or to an account with a bank in the Czech Republic based on their written request delivered to Česká spořitelna. Such a written request must contain a solemn declaration of the shareholder's tax residency and include an account number and the identification of the bank keeping that account. A shareholder's representative will receive the dividend upon the presentation of an identity card and a letter of attorney signed by the shareholder, containing a solemn declaration of the shareholder's tax residency. The authenticity of a shareholder's signature on a request for dividend wire transfer or on the letter of attorney for the shareholder's representative must be officially certified only if the shareholder's total gross dividend exceeds CZK 1000.

Shareholders—natural persons that have permanent residence in the Slovak Republic and are not represented by a custodian of securities or authorized representative will receive the dividend in cash upon the presentation of an identity card and a proof of the assignment of SID (substitute identification number assigned by the keeper of relevant securities records) at any Česká spořitelna branch in the Czech Republic or, based on their written request delivered to Česká spořitelna, to an account with a bank in the Czech Republic. Such a written request must contain a solemn declaration of the actual ownership of the income and of the shareholder's tax residency and include an account number and the identification of the bank keeping that account. A shareholder's representative will receive the dividend upon the presentation of an identity card, a letter of attorney signed by the shareholder, containing a solemn declaration of the shareholder's tax residency, and a proof of SID assignment to the shareholder. The authenticity of a shareholder's signature on a request for dividend wire transfer or on the letter of attorney for the shareholder's representative must be officially certified only if the shareholder's total gross dividend exceeds CZK 1000.

Shareholders—natural persons that have permanent residence outside the Czech Republic and Slovak Republic and are not represented by a custodian of securities will receive the dividend to their account with a bank in the Czech Republic based on their written request delivered to Česká spořitelna with an authenticated signature. Such a written request must contain a solemn declaration of the actual ownership of the income and of the shareholder's tax residency and include an account number and the identification of the bank keeping that account.

Tax will be withheld under the conditions resulting from applicable Czech tax regulations (in particular Act No. 586/1992 Sb., on income taxes, as amended) and/or under applicable double taxation agreements between the Czech Republic and the state of the final dividend income owner's tax residency. For the purposes of taxation under such applicable double taxation agreements, the shareholder or custodian of securities must deliver to Česká spořitelna, together with the written request, the final owner's declaration of the actual ownership of the dividend income and a current certificate of the final owner's tax residency. If such documents are drawn up in a language other than Czech or Slovak, the shareholder or custodian of securities must have the documents translated into Czech at their own expense (the translation does not have to be officially certified). The shareholder must prove reliably that conditions for the application of a reduced withholding tax rate are met.

A shareholder that is entitled to make an additional request for the application of a reduced withholding tax rate and for the refund of the difference between the withholding tax applied and the reduced withholding tax under the conditions set down in tax legislation must prove that conditions for the application of a reduced rate are met in a timely and reliable manner, in particular in compliance with the time limit set down in Section 237 of Act No. 280/2009 Sb., Rules of Tax Procedure, as amended.

The dividend is payable on August 1, 2017 and will be paid to a shareholder's account with a banking institution without undue delay as soon as Česká spořitelna receives the shareholder's request within the meaning of the foregoing paragraphs. The dividend will be paid until July 30, 2021.
